# JOIN YOUR LOCAL WALK

## Become a Local Sponsor!

*The Walk* is TREO Foundation's grassroots initiative to raise awareness that obesity is a chronic, treatable disease—and to advocate for access to science-based care. Participants include individuals living with obesity, bariatric patients, healthcare professionals, and community members, all coming together to walk in support of Treatment, Research, and Education to end the obesity epidemic.

As a **Local Sponsor**, your company will gain visibility and engage directly with attendees by exhibiting at your community's Walk.

### Sponsorship helps fund:

- Local event expenses
- Advocacy and awareness efforts for access to treatment
- ASMBS-supported obesity research
- Professional and public education initiatives

Formerly known as the *Walk from Obesity*, this national program has evolved into *The Walk*—a revitalized event that reflects progress, transformation, and the journey toward better health for all. Partner with us to help raise awareness of treatment options, end the stigma of obesity, and support a healthier future for all.

### Three Reasons to be a Local Sponsor:

**Support the cause** - Your sponsorship leads to greater fundraising to support TREO's mission.

**Receive recognition** - As soon as you sign up, your company will be spotlighted as a sponsor in the community you serve, all the way to event day.

**Raise awareness** - Educating individuals about treatment and prevention options empowers our friends, family, and the community as a whole to address obesity and lead healthier, longer lives.

# THE LEVELS & BENEFITS

**Sign up early for maximum recognition time!**
